

SECRET SOCIETY RENUNCIATION PRAYER

NOTE: *This is a guide. As Holy Spirit leads you to repent and renounce other things, do so earnestly.
Suggest coupling this with the more in-depth Freemasonry deliverance prayer)*

Father God, I come to You humbly, acknowledging Your authority and power, and honoring You as Creator of heaven and earth. I confess I have operated in idolatry and chose to follow Satan instead of You and Your Word, by joining a secret society or attempting to join. I confess and repent off my sin of idolatry and mixing the holy with the profane. I repent taking Your name in vain and the blasphemy attached to being part of a secret society. In the name and power of Jesus Christ alone, I repent and renounce all ungodly covenants and association with Freemasonry, Shriners, the Illuminati, lodges, crafts, fraternities, sororities, and any other secret/occult groups pledged by my family and myself.

In the name of Jesus Christ, I repent for following, and renounce the satanism and witchcraft to which I opened myself, and my family, up to. I renounce the spirits of Baal, Baphomet, Osiris, Isis, Horus, Set, Minerva/Athena, Apollo/Apollo, Anubis, Bastet, Themis/Atlas, _____ (add in any other names of false gods/goddess attached to the organization). I renounce the spirit of antichrist, spirits of death, and ALL ungodly powers that rule over these organizations.

I repent and renounce rejection, insecurity and lack of identity in Christ, the love of position and power; the love of acceptance, the love of money, the lust of the flesh, the lust of the eyes, and the pride of life that lead people into these demonic organizations. I repent and renounce, and break off myself and my family, all fear and intimidation released into participants of these organizations. I recognize the occult ties and ungodliness of these organizations.

Through the power of Jesus Christ, I repent, renounce, and break all soul ties attached to the people that came from joining these organizations. I pray all false relationships and friendships You did not ordain for my life, to cease. I renounce the fear of being alone, fear of men, and the fear of trusting God, in the name of Jesus Christ.

I repent and renounce all anxiety, depression, oppression, obsession, emotional damage, confusion, fear of the dark, fear of the light, and fear of sudden noises, etc. I renounce the blinding of spiritual truth, the darkening of the soul, and false imaginations, in Jesus' name. I renounce the attack and fear of choking in the night, nightmare spirits, incubus and succubus spirits, every spirit causing asthma, hay fever, emphysema, and breathing difficulty. I repent and renounce emotional hardness, apathy, indifference, unbelief, bitterness, and anger in Jesus' name.

I renounce and break the power of the wedding ceremony that married me to the organization (whether literal or spiritual). I repent and renounce every ritual, prayer and hymn I said, sung, and agreed to, which created a demonic covenant. I repent and renounce the false light mentioned in rituals, which represents Lucifer/ Satan. I repent and renounce the worship of the organization instilled in me through initiation. I renounce the spirit of Python trying to squeeze the spiritual life out of me, and prevent me from following The True and Living God only. I renounce all ancient pagan teachings from Babylon and Egypt, and the symbolism attached to secret societies. I renounce the mixing and mingling of truth and error. I acknowledge the mythology, fabrication, and lies taught as truth through these organizations as deception from Satan. I repent and renounce every position held in these organizations by me, or anyone in my family. I repent and renounce for calling or thinking of another as a "master," or any other similar title that is idolatrous to God.

I repent and renounce for taking Your Word in vain. I repent and renounce vain traditions of men that make The Word of God of no affect, by accepting initiation and rituals as truth. I repent and renounce for accepting and reciting twisted versions of God's Holy Word made to fit the organization. I repent for swearing an oath to the organization, and laying my hand on The Holy Bible while pledging myself to the organization. I repent and renounce the curse of all hand signs, calls, secret passwords, handshakes, etc., attached to the organization.

I repent and renounce ALL forms of false and ancient religions, polytheism, ancestral worship, philosophy, astrology, astronomy, divination, New Age, Buddhism, Islam, Hinduism, and all demonic powers these secret organizations draw power and strength from. I confess there is only ONE God...The God of Abraham, Isaac and Jacob. Elohim. The Great I Am, Who ALONE is worthy of all worship and praise. Only through Jesus Christ, Son of The Living of God, The Passover Lamb, can there be remission of sins, freedom, and redemption. Therefore, I start anew today by giving my life and every part of myself back to You Jesus. I thank You Lord, all vows, obligations, oaths, penalties, and curses enacted or pronounced against my life and body are removed, ended, and healed in the mighty Name of Jesus. I thank You Father God, for Your love, mercy, grace, and protection.

In Jesus' Wonderful Name I pray all these things...Amen.
